For Your Convenience

Equal+ track fixtures are compatible with Halo track system.

Professional Track Lighting

Engineered under the highest quality standards, **Equal+** track lighting fixtures have satisfied the most demanding specifiers, consulting engineers and contractors (i.e. Laura Secord and Black's use **Equal+** in their award-winning stores).

Specify With Confidence

Only selected quality components are used to build **Equal+**. With every fixture carefully inspected and tested **Equal+** is a true specification grade lighting your customers will appreciate.

Reliable: Five Year Warranty

Equal+ fixtures are guaranteed to be free of defects in material or workmanship for a period of five years, from date of shipping. This warranty includes electronic ballast.

Safety First !

While most other track systems use a two-wire system and track extrusion for grounding, **Equal+** fixtures work with a safer three-wire system. The separate copper bus bar provides proper grounding and interference-free dimming.

Compatible And Durable

Installation of **Equal+** fixtures is fast and easy with **QuikTrac** track system available from Valuelight. **Equal+** luminaries are also compatible with three wire systems from Halo.

Available with **Halo, Juno, Lightolier** and **Nokkia** compatible track adaptors. C.F. for details. (Trademarks are owned by their respective companies not affiliated with Valuelight)
