**U1089.MH100.120**

- Housing corrosion resistant die cast aluminum
- Screws stainless steel, NOALOX anti-seizing compound
- Lens no suffix opaque polycarbonate (BASF)  
suffix -G tempered borosilicate glass
- Lamp metal halide 100W max. (U1097 70W max.)
- Ballast electronic HPF, outdoor rated to -30C
- Voltages 120-277-347V/60Hz, 220-240V/50Hz
- Colour black RAL9005, custom finishes available
- Finish UV stabilized polyester powder coated black
